

INVESTING IN THE NEXT GENERATION

Youth Initiative Program

Help young people build the confidence, knowledge, and connections to shape their futures and contribute to a stronger Montgomery metro community.

01

Entrepreneurship & Career Skills

Introduce young people to business thinking, practical skills, and pathways to future opportunity.

02

Financial Literacy

Encourage foundational understanding of money, saving, budgeting, and informed financial choices.

03

Mentorship & Community Connection

Create opportunities for young people to learn from local professionals and connect with the business community.

Program details, enrollment, ages, eligibility, activities, outcomes and dates have not been announced.
